Project Graduation 2023

Dear Business Owner,

TZHS PTSA Project Graduation '23 marks the 32st anniversary of our annual supervised, substance free, celebration for the graduating Tappan Zee High School Seniors. This project involves community-wide support and financial assistance to reach a common goal: Providing a substance-free and safe environment to celebrate graduation.

Many other communities across the United States have hosted Project Graduations and in doing so, have reduced the chances of students being injured in alcohol or drug-related auto accidents.

The evening's activities are in the initial stages of planning but we hope to include music, great food, and a variety of activities such as volleyball, basketball, a video game area, ping pong and table games. In addition, we have contracted with an entertainment company for a DJ, a Human Foosball arena, an obstacle course, a hypnotist and a photo booth.

Project Graduation is organized by the PTSA with help from the Senior Class, School Administrators, Parents and Local Businesses and Organizations. To make this occasion a most memorable time for the students we need to ask you for your support and financial backing. We are asking you to consider a donation of money, prizes or gift certificates. Your donation is tax deductible. If you can assist us, please go to <https://www.tappanzehsptsa.com> to donate online or complete the enclosed form and mail to:
